## BIOGRAPHY - LUCA VANELLI

Luca Vanelli was born in 1982 in Vicenza near Venice, Italy. His passion for music started early when he would play with his father's turntables every day and make mixed tapes with a cassette player. He taught himself how to DJ at home as a teenager and was soon DJing in local bars and clubs with his friend Emilio Lavarini. By 2005, Luca was producing house music and releasing his first tracks with Purple Music, Rule5, Mind the Gap, Sensorama Records and Karmic Power Records. Over the next few years, Luca honed his skills as a DJ playing increasingly large venues all over northern Italy. He founded 'Damn! It's Funk' in 2012 with friend Daniele 'Sexxx' Sesso, a collaboration bringing together jazz, funk and house music. Luca moved to London in 2013 to start a new career and continued DJing

sporadically over the next few years.

By 2018, he had built a new home studio and started producing house again, starting with Big Sur which was released by his long-time friend Diego Broggio, AKA DB Boulevard, now A&R at StreetLab Rec.

In 2021, he released Poppin' like with friend and DJ J Falluchi; the new track got 70,000 streams in its first three months.

## KARMIC POWER RECORDS

Karmic Power Recoords is the record label of legendary New York DJ Lenny Fontana. The promise is to push the boundaries of house music and all its varieties,taking it back to an era where music had the ability to evoke emotions. Over the years as an artist Lenny Fontana has proven his ability to crossover from the clubs to the mainstream with his brand of house music. It's these principles that Lenny and the team have applied to the label. Lenny says, "Our main focus will be on moving forward with sourcing new acts and through our A&R department guiding them to grow as artists as well as working with other industry heavyweights. With releases featuring such acts as David Morales, DJ Spen, ATFC, John Morales, Richard Grey & Marshall Jefferson amongst others". Keep a look out for all future Karmic Power Records releases on all digital music stores.
